All right, I will work with street services to see if they can remove both. Thanks for your help, Sarah.

No he hasn't contacted me about the donation bin because his department should be able to handle it. It's under their purview. Technically he's supposed to post the dumpster too...

Hey Sarah,

I hope you and your family are doing well. I am following up to see if you have any new information in regards to the dumpster located behind the Chevron and also if Leo, the street services inspector, has contacted you about the donation bin located on Goleta St / San Fernando Rd.

Thanks,

Hello Sarah,

I have a dumpster at the end of an alley by Remick / Sunburst (behind the Chevron Gas station) that has attracted a huge amount of trash. Can sanitation remove the dumpster or do I have to go through street services? I provided an attachment to this email.

Thanks,
